### **CONDITIONS OF SALE (abridged)**

Terms and Conditions are printed on the rear of your receipt in full.  
Any order placed will be accepted as an offer to purchase at the stated price.  
Any order placed will only become a contract of sale when the order is processed, all monies paid and the goods are either: collected, dispatched or installed. We make every effort to ensure listed prices are correct. E&OE. If however, a pricing error is detected prior to contract of sale, we reserve the right to cancel the order.  
Goods remain the property of Billy Vee Sound Systems until full payment has been received (credit acceptance is included). Goods are exchanged at the discretion of the Management and such goods including accessories, handbooks and packing must be of merchantable quality.  
We reserve the right to make a minimum 10% handling charge up to whatever value to make them so.  
A handling charge will be made for goods that are returned for credit or repair where the order has been executed correctly and the goods are in satisfactory working order.  
Your receipt of purchase must be kept safely to ensure continuity of service. Should you lose the receipt, we reserve the right to charge for any repair of goods.  
Billy Vee Sound Systems Ltd is a Licensed Credit Broker and as such arranges loans on your behalf. Where a loan has been arranged and accepted: should you wish to return the goods for credit, any agreed refund shall have any credit charges subsidized by us on your behalf deducted from the refund. A non-refundable 30% Deposit is required for special orders, and a handling charge will be applied if any credit is agreed.
